

VETTAM 300W Solar Street Light

Vettam Newest 300W Outdoor Solar LED Light Solar Light Lamp Waterproof Motion Sensor Sunlight Yard Garden Street Lamp.

Specifications:

- Brand Name: Vettam
- Certification: CCC, ce, LVD, VDE, GS, UL
- Is Dimmable: Yes
- Protection Level: IP68
- Body Material: ABS
- Power Source: Solar
- Base Type: B15
- Features: Waterproof, super bright, high capacity battery

- Voltage: 24V
- Light Source: LED Bulbs
- Style: Modern
- Solar Cell Type: Lithium Battery
- waterproof: IPX66
- texture of material: ABS

Advantage:

- Large and bright : Super large size, 300W high power large
- High-efficiency solar energy : 6 hours of charging, 24 hours of use, the efficiency is increased by 50%
- Sensitive response: High-tech radar sensing, with a sensing angle of 180°, and a sensing distance of up to 10M. Long-distance remote control is super convenient.
- IPX66 Waterproof: Dust-proof, waterproof, anti-collision, suitable for all kinds of harsh environments.
- Quality Transportation : Using multi-layer bubble bags and high-quality carton packaging, the transportation is very safe, and the product will not be damaged.
- Environment of use : courtyards, roads, balconies, gardens, lawns, pastures, swimming pools, garages, etc.
